My Favourite Nursery Rhymes

My Favourite Nursery Rhymes series is a wonderful collection of all the rhymes for children and parents to enjoy together.

It includes the classical rhymes starting from the medieval times to the ones which originated later in Europe and US etc. The rhymes are done alongwith beautiful illustrations which come to life as you open the book and read them aloud.

There are so many lessons to be learnt and so many things to talk about from these rhymes. Learning such verse assists in the development of vocabulary, counting and also introduces the child to art of music, dance and expression.
